

Entries **NOW** being taken for the next **Property Auction!**

Westbrookes Auctions provide a fast & efficient method of selling your property.

There are no dreaded chains and the exchange of contracts happens on the day of the auction providing great peace of mind for seller and buyer alike.

Inspections and valuations for the purposes of auction are undertaken free of charge.

Our specialists cover all sectors of property including - agricultural (i.e. Old barns, grazing land etc.), land & commercial markets and residential property. We keep fully up-to-date with market developments in their specialist areas.

For further information visit our website or contact one of our professionally trained members of staff.
